February 2014

February at a Glance

The new cohort of PSW students began their program in January and are well in to their training in February. There is a lot of excitement as they start their clinical placements.

News for February

Sarah Pottier announced the safe arrival of her baby boy on February 19th. Mom, Dad and baby are doing well.

Upcoming Events

- **February** – Semester 2 PSW students continue placements every Thursday/Friday
- **February 27** – Semester 1 PSW start their placements every Thursday/Friday
- **February** – PN 4 students in pregrad placements continue placements on a full time rotation throughout the month
