5. Luke Denomme – Recreation Director was introduced. Luke has been in his position for 3 months and is 95% committed to Long Term Care. Luke updated us on his changes over the years in his career and feels that now he is where he wants to be totally committed. Part of his career in the past was in research for RIA with Schlegel. His team consists of 6 full time, 1 part time and 1 casual member. Luke is making changes in the Rec Team schedule by working in teams in “sister neighbourhoods” that should increase the program by an overall 30 hrs per week. He will be replacing the bulletin boards in all neighbourhoods to post all Family Council information including the Schlegel monthly newsletter. As Luke is also working on the monthly newsletter he will look into possibly sending the newsletter via e-mail. He is open to and welcomes any suggestions that we may have.

8:00 – 8:30 pm

6. All members very supportive of Luke's ideas and commented on his sincere involvement with the residents. Time for refreshments and concerns and ideas.
